Law Enforcement Phlebotomy Program (LEPP) Commitment Pledge

I, _____, understand and acknowledge that before I can be accepted in the Missouri Law Enforcement Phlebotomy Program (LEPP) training program as a law enforcement phlebotomist (LEP) Candidate, I must commit to the following:

1. Complete all phases of the LEPP training.
2. Complete requalification upon expiration of each preceding LEP qualification period (every 2 years).
3. Maintain all LEPP issued equipment in good working order.
4. Complete and submit all reports required of a law enforcement phlebotomist in a timely manner (within 30 days of the date of the blood draw).
5. Be willing to respond, when needed by other agencies, in or around my county, that are requesting my services.
6. If I do not complete two requalification cycles (four years from initial qualification date), I will return all issued LEPP equipment back to the LEPP Program.
7. I understand that if I withdraw from the program after I start classes with MACC, my agency may be required to reimburse the Missouri Safety Center for costs incurred for the grant (i.e., hotel nights, class tuition). This will be determined on a case-by-case basis.
