

TRAIN THE TRAINER

Driver Training Instructor Certification Course

This 40-hour course provides the base to be certified to teach defensive and emergency vehicle driver training. Training consists of fundamentals required to instruct classroom and hands-on training in defensive driving and accident avoidance techniques including backing exercises, evasive maneuvers, and skid pad training.

A sample of topics covered include:

- Curriculum Guidelines
- Techniques for Classroom Presentation
- Concepts of Adult Learning
- Teaching Preparation and
- Several vehicle maneuvering exercises.

This class is designed for law enforcement EVOC instructor candidates as well as anyone teaching a hands-on defensive driving course.
